

POSITION OVERVIEW

Sub-specialty: **General Radiologist-Hybrid/Onsite/Remote/Day Shift/MSK/Neuro/Body**

Department: Radiology

Reports to: Medical Director

Location: Eau Claire, WI

POSITION SUMMARY

Medical X-Ray Consultants (MXC) is a group of 8 collegial radiologists serving communities in beautiful Northwest Wisconsin. The practice covers a diverse group of primarily rural hospitals performing the breadth of diagnostic imaging as well as interventional services to include more basic interventional services at our smaller community hospitals and more advanced interventional services including stroke thrombectomy and oncology intervention at Sacred Heart Hospital in Eau Claire. For more information on our practice, please visit www.mxcimaging.com.

MXC is seeking a well-trained **General Radiologist**. A fellowship trained radiologist in **MSK, Body or Neuro** radiology is preferred but not required. This is a **partnership tracked, hybrid position** with a flex schedule working both onsite and remotely. Typical schedule is 8a.m-4:30pm CST. Nighthawk call duties will be transitioned by end of 2023. The ideal candidate will be comfortable reading a full range of diagnostic radiology including General Radiology/X-Ray, Body Imaging, Cardiac/Cardiovascular, Computed Tomography, Computed Tomography Angiography (head, neck, chest, abdomen, pelvis, lower extremity), MRI, Musculoskeletal, Neuroradiology, Nuclear Medicine, Pediatrics, Ultrasound and Emergency Radiology

Community Information: <https://www.thinkeauclaire.com/>

RADIOLOGY PARTNERS OVERVIEW

Radiology Partners, through its owned and affiliated practices, is a leading radiology practice in the U.S., serving hospitals and other healthcare facilities across the nation. As a physician-led and physician-owned practice, we advance our bold mission by innovating across clinical value, technology, service, and economics, while elevating the role of radiology and radiologists in healthcare. Using a proven healthcare services model, Radiology Partners provides consistent, high-quality care to patients, while delivering enhanced value to the hospitals, clinics, imaging centers and referring physicians we serve.

Radiology Partners is an equal opportunity employer. RP is committed to being an inclusive, safe and welcoming environment where everyone has equal access and equitable resources to reach their full potential. We are united by our Mission to Transform Radiology and in turn have an important impact on the patients we serve and the healthcare system overall. We hold that diversity is a key source of strength from which we will build a practice culture that is inclusive for all. Our goal is to empower and engage the voice of every teammate to promote awareness, compassion and a healthy respect for differences.
